We will continue testing reading levels this week. This will continue for the next several weeks.

PLEASE make sure your child is here everyday, on time.

Test Date: May 4

\* Each week students will be tested on 5 words that follow a specific spelling pattern (this week: suffixes). Students will also be given 5 additional words that follow the same pattern to determine their ability to transfer spelling patterns to unknown words.

\* Numbers 6-10 are also suffixes.

\* Please note: In second grade we expect correct usage of capital and lowercase letters. If your child capitalizes a letter and it should not be capitalized, it is counted wrong.
